Great Falls Volleyball Adds 2011 Signee

Great Falls, MT – The University of Great Falls women's volleyball program is excited to announce the signing of Jocelyn Grondalski to play for the Argo program in the fall of 2011. Grondalski is a 6'1" middle blocker from Blue Lake, California where she currently attends McKinleyville High School and boasts a 4.056 cumulative GPA.

Grondalski's list of extracurricular activities stretches a mile long and includes four years of ASB leadership, a four semester academic excellence award winner for 4.0 or better GPA, and 12 years as a girl scout where she received her bronze, silver, and "God and Family" religious award. Grondalski is also a 4-year letter winner in volleyball and one in basketball, and 2-time first-team all conference player in the Humboldt/Del Norte Conference. She plays club volleyball for Empire Volleyball Club out of Santa Rosa, CA for coaches Lindsay Smith and Mike Whitham.

"We are more than pleased to sign Jocelyn Grondalski to the Argo volleyball program," stated Head Coach Arunas Duda. As you can see, she is quite an accomplished volleyball player but more than that she is quite an accomplished young lady. Her leadership skills, extra activities, and commitment to excellence in every aspect of her life make her a wonderful addition to our squad. I don't know where she found the time but when I found out her family drove her four hours each way to club volleyball practice, I knew we had found a family and a young lady whose passion for volleyball and commitment were exactly what we want and need here at UGF. We are excited to add her skill, passion, talents, compassion for others, and work ethic to our program and expect a very successful career for her."
